

Selly Oak Nursery School

Half-termly newsletter from the Governors

Nearly Christmas

Linda and Maureen (from the Curriculum Committee) joined in with the Diwali celebrations and saw lots of interesting and exciting activities and we are delighted at how even the younger children are settled into nursery. Maureen also came to the Unicef breakfasts and really enjoyed meeting parents. We're pleased that the refurbishment of the creative room (above) gives children more opportunities to explore their ideas and have lots of fun. Their enjoyment of learning is infectious and they are clearly becoming more independent. The first term is when staff collect the Baseline Data as children enter the Nursery so we can monitor their improvements through the year.

REPORT FROM OUR FINANCE AND PERSONNEL TEAM

Mark and Wendy have joined the team. We have been continuing to look at ways to raise money and save money for the nursery. We are delighted that Paula has begun her administrative role with us and Genny visits her to see how things are developing. We have reviewed the Equality, Diversity and Community Cohesion Policy Framework, presented to us by Miss Dovey as well as the Safer Recruitment. Thank you to everyone who helped in any way with the Christmas Fayre to help raise money for the nursery!

Angela Mason - Safeguarding Governor

Angela is a former headteacher of a Birmingham Nursery school

Maureen Regan - Equal Opps Governor

Maureen is part of our Curriculum Committee.

Genny Isgrove

Genny has a daughter at Selly Oak and is part of the Finance Committee
